

2010

INTERNATIONAL  
MICROWAVE SYMPOSIUM

IEEE MTT-S • MAY 23-28, 2010 • ANAHEIM, CALIFORNIA

THE GOLDEN STATE OF MICROWAVES

### Sales Suites (on show floor)

IMS now offers the ability for exhibitors to have their own personal meeting room(s) on the show floor. These meeting rooms come with walls, carpet and keyed entry for the length of the exhibition. Exhibitors can outfit them in any manner (e.g. furniture), order food and beverage services, hold meetings and product demonstrations, etc. The rooms can be configured to accommodate conference tables, projectors/screens, etc. The walls must be in two foot increments and the space must be a minimum 100 sq. ft (10x10). Due to fire regulations, all doors must open outward.

Cost-\$50 per sq. ft. Includes additional discounted registration codes. Each dollar spent on floor space will apply towards the sponsorship levels (platinum, gold, silver).
