REGULATIONS AND CONDITIONS OF CONTRACT

This Agreement made this date,

By and Between,

and the Institute for Electrical and Electronics Engineers "IEEE" Microwave Theory and Techniques Society, the International Microwave Symposium "IMS", and MP Associates, Inc. "MPA"; hereinafter all three collectively referred to as "The Management". By agreeing to this contract, exhibitor agrees to be bound by the "International Microwave Symposium Exhibition Operating Rules and Regulations" provided by The Management.

1. PURPOSE AND ARRANGEMENT OF EXHIBITS

The main purpose of the IMS is educational. The exhibits, together with the technical sessions, are vital elements of this process. The Management and the exhibitor agree that the purpose of the exhibition is educational, and will conduct it accordingly. The exhibits shall be arranged so as not to obstruct the general view nor hide the exhibits of others. Plans for specially-built displays not in accordance with regulations should be submitted to The Management before construction is ordered.

Licensed Space Exhibitor is licensed to use exhibit space which includes the following exhibit equipment: 8' high backwall drape, 36" high side rails, plus a 7" x 44" sign featuring the exhibitor's name and booth number (for in-line booths only). Aisle carpeting, general guard security, and general aisle cleaning are provided. However, The Management accepts no liability for losses or damages of any kind sustained through the exhibition. The parties to this contract agree that this agreement is a license to use exhibit space and not a lease or sublease of real property.

In-line Booths (10' x 10', 10' x 20', 10' x 30') in-line booths with a common backwall touching an aisle may have a full backwall (standard height is 8') and the sidewalls must drop to 48", 5' from the aisle. Every exhibitor shall be allowed a backwall of at least 10' wide. Hanging signs are not permitted in in-line booth configurations.

Cross-aisle Booths (minimum 200 square feet/maximum 400 square feet) a series of standard in-line booths facing a similar series of standard in-line booths across the aisle. Hanging signs are not permitted and nothing may be placed in or above the connecting aisle.

Island Exhibits have four open sides. Booth structure may not exceed 16'. Hanging signs are allowed but must be within the booth footprint with the top of the sign not exceeding 25'.

Split-island Exhibits are open on three aisles. The common backwall for this type of exhibit may be a full backwall from aisle to aisle; however, the backwall may not exceed 10' without agreement from both exhibitors. Split-island exhibit booth structure may not exceed 16'. Hanging signs are allowed but must be within the booth footprint and must be positioned so that the sign copy may not be visible from the neighboring split-island booth. The top of hanging signs may not exceed 25'.

2. EXHIBITION OPERATING RULES AND REGULATIONS Exhibitor agrees to be bound by the Rules and Regulations established in the "International Microwave Symposium Exhibition Operating Rules and Regulations" included herein by reference. This document details the conditions under which exhibitors agree to participate and will be strictly enforced by The Management.

3. FIRE, SAFETY AND HEALTH The exhibitor assumes all responsibility for compliance with local, city, and state ordinances and regulations covering fire, safety, and health. Exhibitor further agrees to comply with all Fire, Safety, and Health guidelines as defined in the "Exhibition Operating Rules and Regulations".

4. UNION LABOR Exhibitor must comply with all union regulations applicable to installing, dismantling, and display of the exhibits.

5. SUBLICENSING OF SPACE The exhibitor shall not assign, sublicense, or permit the whole or any part of the exhibit space licensed to exhibitor, or have representatives, equipment, or materials from any firms other than their own in the exhibit space without the written consent of The Management. Only one company shall be considered as the exhibitor, and no other company is licensed to use the space unless said company or unit is a subsidiary, parent, or affiliate of the exhibitor.

6. OFFICIAL CONTRACTORS The official contractor has been designated to perform services for an exhibitor such as the rental of furniture, erection of exhibits, electrical work, plumbing, labor, and cleaning. No exhibitor or representative shall contract for such services with other than the said official contractor without the express written consent of The Management, which, for reasons of security, in its sole discretion can deny such permission.

7. LIABILITY AND INSURANCE The exhibitor assumes entire responsibility for and hereby agrees to protect, indemnify, defend, and hold harmless, The Management, the Baltimore Convention Center, and their employees and agents, against all claims, losses, and damages to persons or property, governmental charges or fines, and attorney's fees arising out of or caused by exhibitor installation, removal, maintenance, occupancy, or use of exhibit premises or a part thereof, excluding any such liability caused by the sole negligence of the Baltimore Convention Center and its employees and agents. In addition, exhibitors acknowledge that The Management and the Baltimore Convention Center do not maintain insurance covering exhibit property and that it is the responsibility of the exhibitor to obtain business interruption and property damage insurance covering such losses sustained through exhibition.

8. CONVENTION CENTER AND HOTEL PUBLIC SPACE The Management maintains control of all space in the convention center and official IMS hotels (defined as those hotels with which IMS has a room contract and is listed as a "participating hotel"). Exhibitor agrees to comply with guidelines as defined in the "Exhibition Operating Rules and Regulations" for use of any meeting rooms, hospitality suites, and/or function space.

9. UNOCCUPIED SPACE The Management reserves the right, should any exhibitor's licensed space remain unoccupied on the opening day, or should any space be forfeited due to the failure to make proper payment, to license any space to any other exhibitor, or use said space in any other manner, but this clause shall not be construed as affecting the obligation of the exhibitor to pay the full amount specified in its invoice for the licensed space under the terms of this contract.

10. INABILITY TO PERFORM If The Management should be prevented from holding the exhibition by any cause beyond its control (such as fires, strikes, Acts of God, etc.) or if it cannot permit the exhibitor to occupy his space due to circumstances beyond its control, The Management will refund to the exhibitor the amount of the licensing fee paid by them, less a proportionate share of the exhibition expenses, and The Management shall have no further obligation or liability to the exhibitor. If the exhibitor shall have made no license payment, they nevertheless shall be obligated to pay their proportionate share of such expenses.

11. OBSERVANCE OF LAWS Exhibitor shall abide by and observe all laws, regulations, and ordinances of any applicable government authority and all rules of the Baltimore Convention Center. Exhibitors are required by the applicable state laws to be solely responsible for the collection and remittance of any sales or other taxes imposed on them.

12. ASSIGNMENT OF EXHIBIT SPACE The Management shall assign the exhibit space to the exhibitor for the period of the exhibition (provided the exhibit building is made available to The Management) in priority order based on the International Microwave Symposium priority rules and/or receipt of contract. Such assignment is made for the period of this exhibition only and does not imply that the same or similar space be held or offered for future exhibits. Every effort will be made to respect the exhibitor's space choices whenever possible, but The Management's decision will be final. The Management reserves the right to transfer assignments when such action is deemed to be in the best interest of the total exhibition. The Management reserves the right to withdraw its acceptance of this application/contract if it determines in its sole discretion that the exhibitor is not eligible to participate or the exhibitor's product or service is not eligible to be displayed in this exhibit.

13. AMENDMENTS The regulations have been formulated for the best interest of the exhibitors as well as this exhibition and The Management. All matters and questions not covered by these regulations or in the "Exhibition Operating Rules and Regulations" are subject to the decisions of The Management. This contract and/or the "Exhibition Operating Rules and Regulations" may be amended at any time by The Management and all amendments that may be so made shall be equally binding on all parties affected by them as by the original regulations. The Management has sole right to determine the eligibility of any company or product for inclusion in the exhibition.

14. PUBLICITY The Management may use exhibitor's name and any non-confidential materials provided by exhibitor on The Management's website, and for internal and trade purposes. The Management will be required to obtain exhibitor's advance approval to utilize exhibitor's trademarks or any exhibitor materials or information in press releases, brochures, or other event promotions.

15. MISCELLANEOUS This contract shall be subject to interpretation by New York law and the venue for all legal proceedings involving or arising for this contract shall be in the State of New York. No waiver of any term or condition of this contract by either party shall be deemed to imply or constitute a further waiver of the same term or condition or any other term or condition of this contract. Note: It is the exhibitor's responsibility to understand the guidelines governing exhibitor participation as set forth in this contract and the "Exhibition Operating Rules and Regulations".
